

February 4, 2005
Arizona Corporation Commission Special Open Meeting
The Status of Telecommunications Competition in Arizona

GENERAL PRESENTATIONS (9:00-11:00 a.m.) – These will range from short introductory comments to approximate twenty-minute presentations involving PowerPoint or other visual media. While the filed materials reflect that some participants will have longer presentations than others, our expectation is that, given the use of the following panels, most entities will have much shorter and simpler general presentations, including some who will choose to briefly introduce themselves and the entity they represent.

PANEL 1 (11:15 a.m. – 12:15 p.m.) THE TELECOMMUNICATIONS LANDSCAPE IN ARIZONA INCLUDING THE IMPACT OF RECENT REGULATORY AND JUDICIAL DECISIONS ON THE NATURE AND DEGREE OF COMPETITION IN ARIZONA

Each panelist should be prepared to make short introductory remarks, consistent with the panel theme. Questions from and dialogue with the Commissioners and other panelists will follow the completion of these opening remarks.
